**CSI, Inc. achieves AT&T 5-Star Solution Provider status for 13<sup>th</sup> consecutive year.**

Chippewa Falls, WI – April 30, 2007 – CSI, Inc., the top solution provider for Wisconsin of AT&T telecommunications services for businesses, announced today that they were again recognized as an AT&T 5-Star Solution Provider. This marks the thirteenth consecutive year that CSI, Inc. has been awarded the 5-Star Solution Provider status based on the company's sales and service performance. As an AT&T Midwest 5-Star Solution Provider, CSI, Inc. can sell AT&T local services in the 13 states (former SBC footprint), as well as AT&T Data services nationwide, including MPLS and AT&T Managed Internet service.

“This recognition is a tribute to CSI's reputation and we appreciate that AT&T recognizes the value of our partnership,” said Shaun Dean, president and CEO of CSI, Inc. “In addition, CSI making 5-Star status for 13 consecutive years is something no other company can boast and I am extremely proud of all our employees and their consistent commitment to excellence.”
